In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time being in force thereunder, the Council hereby permit the development proposed by you in your application dated 5th August 1975 and received with sufficient particulars on 6th August 1975 and shown on the plan(s) accompanying such application, subject to the following conditions:-

NOTE

(1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.

(2) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with section 38 of the Town and Country Planning Act 1971, within six months of receipt of this notice. He may refer to the statutory requirements for the granting of the permission for the proposed development and to any directions given under the Act.

(3) If permission to develop land is refused or granted subject to conditions which are not acceptable to the local planning authority or if the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the District Council, or on the Council of the county borough, London borough or county district in which the land is situated, a notice in writing that he wishes to purchase the land. The Council or the county district in which the land is situated may then purchase the land in accordance with the provisions of Part X of the Town and Country Planning Act 1971.

(4) In certain circumstances a claim may be made against the local planning authority for compensation where permission is refused or granted subject to conditions by the Secretary of State or a local or county council. On a claim for the application for the proposed development, compensation is payable under section 189 of the Town and Country Planning Act 1971.

The reasons for the Council's decision to grant permission for the development subject to the above conditions are:—

- (1) To comply with the requirements of Section 41 of the Town & Country Planning Act, 1971.
