Decision
Notice is given under article 10 of the Town and Country Planning (General Development Procedure) Order 1995 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

This application is for the placing of 10 signs forming a heritage trail around the Bae site. The signs appear to be located on land outside the proposed highway boundaries and therefore Hertfordshire County Council as Highway Authority considers the proposal would not have an unreasonable impact on the safety and operation of the adjoining highways.
