Dear Sirs,

Thank you for your letter dated 29th last regarding the above reference.

Unfortunately I am unable to attend. However, I wish to lodge my strong protest in this being granted. As previously mentioned the local neighbourhood is saturated already with houses in multiple occupation the consequences which has been to the serious detriment of local residents. Another property for multiple use is frankly absurd.

I trust my fellow neighbours will also object to this and lodge their protests accordingly.

To this end I trust the local council will consider this most carefully before making a decision and decline the application without hesitation.

Yours faithfully,

Ivan Ziff
