PLANNING  
DEPARTMENT  
23 MAR 2011  
RECEIVED

Application Number: N6/2010/3120/DC3  
Name: [Redacted], Welwyn Garden City Society  
Address: 6 Dellcott Close,  
Welwyn Garden City,  
Hertfordshire AL8 7BD  
Comment Type: Observation

Comment: The Welwyn Garden City Society wishes to make the following observations:  
1. We see that some trees are to be removed. The Society would request that those trees that are removed, are replaced by new trees in appropriate locations.  
2. No doubt the Council will take account of the implications of the reports it has previously received in relation to swallow holes existing in this area and which led to the closure of the original swimming pool. The Society hopes that these swallow holes will not affect the proposed new structures of Splashlands.
