Dear Mrs Smith

Redevelopment of Splashlands Complex

I refer to your letter of 20 December 2012 which sought comments on the proposed redevelopment of the former Splashlands Complex.

Stanborough School supports the proposal for both Phase 1 and Phase 2. The development will not only remove an eyesore in the Stanborough Lakes environment, but will also introduce an interesting new sports facility. This will be used by local residents and, we hope, by local schools. Stanborough School is in easy walking distance of the proposed new facility and we hope that adequate provision will be made for the school to use the facility for the benefit of our students. In this respect we would like to be involved with the Council and Finesse Leisure in future discussions about the facility as there may be benefits for each of us in working together.

Yours sincerely

Peter J Brown
Headteacher

Eric Walsby
Vice Chair of Governors
