New comments have been received for application 6/2015/2333/FULL at site address: Land behind and adjacent to 17 - 17A Station Road, Cuffley, Potters Bar, EN6 4HX

from [REDACTED]

Address:
29 Station Road, Cuffley, EN6 4HX

Comment type:
Objection

Comments:

Cuffley does not need another take way with 23% of the shops being some form of eatery not including the Bakery, Co-op & Tesco that sell sandwiches. The people of Cuffley don't want it, nor does the Parish Council. This is a repeat of the last application and objection are the same, it shows a total disregard for the existing flat owner's right of way and would break the terms of our leases. There is No Parking for these new flats & shop and will only add to the congestion in Maynard's Place it only about making money
