Subject: Planning Application 6/2015/2333/FULL 17 -17 Station Road Cuffley EN6 4HX
Date: 16 December 2015 10:15:57

Hi I own a flat 43 Station Road Cuffley can you please tell me when the Council Planners next sit to discuss the above planning application ?

I see from the planning application that the developer has allocated 12 parking spaces 2.4 metres wide and 4.8 metres long directly in front of the garages, which would mean when a car was parked in those bays I would no longer be able to access my garage.

Thank You Colin Cochrane
