

station road

**OLYMPUS Twin Pack - 8x4MS Wide - Smooth Body RCV**

Elite 2 - 8x4MS Wide Track - Euro 5 EEV SPECIFICATIONS

©2016 Dennis-Eagle Copyright Observed

Tracking diagram with added double steerage, and with two 3 point turns access for the vehicle can be provided.

This vehicle specified through the local authority however it has been observed that  
 1) Smaller truck is left on Maynard Place refuse collected by hand. also  
 2) It is arguable that this large type vehicle would be used and in fact more likely a 6x2 mid steer configuration
