**Does Your Proposal Have Environmental Issues or Opportunities? Speak To Us Early!**

If you're planning a new development, we want to work with you to make the process as smooth as possible. We offer a bespoke advice service where you will be assigned a project manager who be a single point of contact for you at the EA, giving you detailed specialist advice. This early engagement can significantly reduce uncertainty and delays to your project. More information can be found on our website [here](#).

Please note – Our hourly charge is now £100 per hour plus VAT from 1<sup>st</sup> April 2018.

**The Environment Agency have updated their climate change allowances for planners. See [Flood risk assessments: climate change allowances](#).**

**PLEASE NOTE:** We are no longer statutory consultees for sites over one hectare in respect of surface water drainage proposals. Responsibility for assessing surface water drainage proposals for [major applications](#) has been passed to the relevant Lead Local Flood Authority (LLFA). We may still comment on surface water drainage concerning contamination or pollution prevention.
