Hello,

I have tried to submit my objection to this proposal online but it keeps showing an error message so sending via email instead. Thank you for acknowledging my comments.

Very distressed to see this application which will have significant impact on Astwick Manor as well as the wildlife and environment of Ellenbrook Park. I am concerned about the significant noise and pollution that this proposal will bring to the area and there is no doubt that it will have a negative impact our day to day living. I also believe it will negatively affect the value of our properties. Ellenbrook park is a wonderful area that is enjoyed by many people and has such a range of wildlife, it would be awful to destroy this. This area is a lovely pocket of countryside, wildlife and community, this proposal would completely change that. Thank you.
