Subject: Application ref.6/2018/2768/OUTLINE Hatfield Business Park

Dear Sirs

I wish to express my concern at the amount of traffic that is being encouraged to use the already crowded and difficult Coopers Green Lane. All recent developments in the area of the Garden Village have spilled their vehicles on to it, yet there seems to have been no account taken of its already dangerous, narrow and winding darkness, and the considerable use made of it by cyclists. Try using it yourselves, either cycling or

driving! There seem to be no plans for either widening or a cycle path. Improved access on to it where it crosses Green Lanes will only make the situation worse.

Please find a different route for the new traffic, or else improve the road to eliminate its considerable dangers.

Judith Foster, resident, Hatfield Garden Village.
