<b>Comments</b>	<input type="text" value="I wish to record my objection to this development. It creates too great a concentration of housing in an already overcrowded area with no consideration as to traffic congestion. we will be adversely affected by the extra noise pollution and damage to the environment and the area involved is both Green belt and following the construction of the Business Park, was decided to be turned into na Country Park for the benefit and enjoyment of local residents. This application goes against all the earlier provisions and denies residents the countryside they have enjoyed."/>
