Dear Sirs

**RE: OBJECTION TO PLANNING APPLICATION - HATFIELD BUSINESS PARK,
HATFIELD, AL10 9SL - PLANNING REFERENCE: 6/2018/2768/OUTLINE**

We are concerned to see this Application and make strong objections to this continuing proposed urban sprawl.

Our strong preference would be maintain open countryside or have areas of parklands.

Our specific objects are listed below:

- Loss of the open area previously designated as the Country Park
- Excessive concentration of housing development in the adjacent area
- Impact of increase in traffic from additional housing
- Increase in noise and air pollution from sand and gravel extraction
- Increase in heavy goods vehicles to transport the sand and gravel from site
- Potential contamination of our drinking water
- Reneging on the Section 106 commitment to create the Country Park.

Yours faithfully

Mr W & Mrs H J Bailey
