Comments	<p>I object strongly to the overpopulation to be caused by 1,100 houses in Ellenbrook Country Park. I also object strongly to Oaklands part 2, once more having sand and gravel extraction which will mean an increase in heavy goods vehicles, potential contamination of water, and increase of noise and pollution. I object to the reneging on Section 106 commitment to create the Country Park. I live very near the area, with a short walk to Nottcutts. The increase of traffic along the adjacent roads would mean blockage and queues most of the time, when normally, as I see from my window there are always near stationary queues of traffic at peak times. In this area, we have already had 2 developments of new homes off Oaklands Lane (one being Pastures View) and potentially one instead of cucumber glass houses. I object because there are no schools or shopping facilities planned.</p>
