New comments have been received for application 6/2018/2768/OUTLINE at site address: Hatfield Business Park Hatfield AL10 9SL

from Cliff Meader

Address:
17 Selwyn Drive Hatfield AL10 9NH

Comment type:
Objection

Comments:

I object to any further development based on:

- loss of the vast majority of open space for residents as promised in the 1999 planning permission; the country park is a vital part of the community, supporting the health and well-being of the residents of Hatfield.
- excessive concentration of housing development in the Hatfield Garden Villages area
- impact caused by the increase in housing and the cumulative effect of all the many developments in the local area on traffic congestion which is already a significant issue in this area
- increase in noise and air pollution which is detrimental to the health and well-being of local residents and frequenters of the area
- potential risk to our drinking water caused by development on a site where bromate is present
- renegeing on the Section 106 agreement as part of the planning permission for the creation of the Country Park for local residents
