<b>Comments</b>	<input type="text" value="Having lived in the Garden Village since 2005, I find it hard to believe that the current infrastructure can cope with the addition of a further 1,100 new properties. The train service is not good, the local bus service has been reduced, parking in the town centre is now at maximum. Also the drainage system cant cope with the current population, as bourn out with the fact that every time hatfield has good rainfall the area turns into a swimming pool. Doctors surgery's are full to bursting and there are very few NHS dentists."/>
