Comments	<input type="text" value="I object to the plans to build houses in this area for multiple reasons. My personal main objections are the loss of green belt land and the loss of the lovely area we use daily to walk our dogs. Ellenbrook Fields is used so frequently by so many local residents, never more so than during the pandemic. Ellenbrook Country Park was promised in 2000 and it is vital that this is upheld. In addition, I have serious concerns regarding the levels of traffic. There are already significant delays on the Hatfield Road at commuting times in both directions. This is exacerbated by the bus stops which hold up traffic further. Further houses can only make this much worse."/>
