

Comment for planning application 6/2018/2768/OUTLINE

Application Number	<input type="text" value="6/2018/2768/OUTLINE"/>
Location	<input type="text" value="Hatfield Business Park Frobisher Way Hatfield AL10 9SL"/>
Proposal	<input type="text" value="Outline application for a large-scale mixed use development including 1,100 new homes and supporting infrastructure including a primary school, local centre and open space with all matters reserved"/>
Case Officer	<input type="text" value="Ms Clare Howe"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="As local residents we are really disappointed to hear of this application and very much object to it. We are concerned about the loss of what should have become a wonderful country park as promised: it has been lovely to see so many local residents out and about enjoying this essential countryside during the covid lockdowns. It would also be building on designated green-belt land in an area which is already very densely populated with the university and business park in the area. The traffic (pre-lockdowns) was already terrible at rush hours and would only get worse with these further houses also using the same roads. Finally, over the last couple of months the lack of drainage and high ground water levels is also a grave concern about potential flood risk. We have had standing water in our garden and fields for the last few weeks now so already the potential flood risks are clear...and the situation would be made even worse by such a large scale housing development."/>
