Comments	<input type="text" value="We object to this development, mainly due to the loss of green land which many residents of Hatfield currently enjoy. There are few areas of such expansive green land in Hatfield for residents to enjoy and in turn you will reduce this further, yet increase the number of residents. In the 2 years we have lived in Hatfield, we have experience the standstill of traffic along the A1057 due to roadworks, diversions, incidents on the A1M, more times that we would of wished for and the potential increase in population will make this problem worse."/>
