<b>Comments</b>	<p>I am writing to strongly object to this planning application. I am particularly disappointed that the promise of a country park in Ellenbrook Fields has been completely disregarded, with the planning application potentially taking a significant part of the country park away. Living locally in the area I regularly walk in the Ellenbrook Fields as I know it today. Along with other issues, I am concerned at the loss of public amenity space and also the extra traffic the proposed development will bring. I feel the area has already been sufficiently developed and the loss of this area for the public and future generations to use is very disappointing.</p>
