Subject: FAO Claire Howe regarding application 6/2018/2768/OUTLINE

**** WARNING: This email originated outside the WHBC Network. Please be extra vigilant when opening attachments or clicking links ****

Dear Ms Howe

6/2018/2768/OUTLINE | Outline application for a large-scale mixed use development including 1,100 new homes and supporting infrastructure including a primary school, local centre and open space with all matters reserved | Hatfield Business Park Frobisher Way Hatfield AL10 9SL

I am contacting you with regards to the application described above. The Woodland Trust maintains its objection as the applicant has failed to provide satisfactory evidence that the two veteran trees mentioned in our original objection will be adequately protected from the proposals. I cannot see any arboricultural report associated with this application so we are unable to determine what tree protection measures are in place (if any) for individual high-value trees on site. Kind regards

Laura Dunn
