<b>Comments</b>	<input type="text" value="Dear Sirs, The proposed development at Chancellor's School should be refused as it entails enlarging an already large enough school, which will only allow to facilitate additional children. The school is already large enough, and the access to and from the school is chaotic, to say the least. I dread to think what it would be like if the proposal were to get permission to be extended and enlarged. Residents of Pine Grove have to suffer with the chaotic traffic on a daily basis, twice in fact, not to mention the large vehicles which create havoc on the street. In addition, the parking situation is ridiculous, as there is a massive over-spill of staff and children parking their cars on the street. Unless another route to the school can be created/introduced in order to reduce a better flow of traffic on Pine Grove, I strongly object to the application."/>
