Comments

I object to the extended development as the proposal does not address key issues that exist at the moment: - Pine Grove cannot cope with the existing level of traffic, it is dangerous. There are frequent accidents on the road given the volume of traffic already associated with the school. - The pollution impacts from traffic will only increase. - There is a divergence between demand and supply for school places. The demand is from outside the local vicinity - so logic would drive that the increase in supply should be from areas - not Brookmans Park.
