| <b>Comments</b>           | <input type="text" value="This application should be rejected. Pine Grove has become a car park, congested for ever longer periods during there day, subject to dangerous, inconsiderate driving behaviour as well as speeding. Apart from a new road surface nothing has been done to alleviate the increasing school size. The planning application says NO new access, NO new roads, NO public rights of way, NO new waste storage, Sports England also enquire whether the sports hall will be for community use, the situation will be further exacerbated. Pollution from traffic is dangerous to residents health. The Herts County Council website indicates there is no local need for expansion of school capacity in Brookmans Park or Potters Bar, let alone an academy. No consideration has been given to a different site. The development is unattractive and within Green Belt."/> |
