Dear sirs,

This development is a danger to the children's well being as the the heavy load of traffic attempting to journey through this road is awful,

Many accidents have occurred due to excessive load on the road so if any children are injured on the boroughs conscious it lies.

The plans are ridiculous for a road that already cannot cope with the level of congestion. Cars are sometimes stuck for an hour as there are no escape roads to allow  
The traffic to disburse.

Regards,
