<b>Comments</b>	<input "="" type="text" value="As you are aware we live in a cul-de-sac and as it is now the traffic from the school concerned is already in my opinion unsuitable for the road conditions, if there was a way in and also out of the road the congestion caused by the cars, buses and coaches would not be as it is, add to this the fact that cars are allowed to be parked at all times on both sides of the road it is already unsafe, to extend the school and add to the congestion would be unacceptable not to mention the environmental issues we have children and they will be subject to breathing even more pollution, i also strongly object to any of the green belt being destroyed to make way for this unsuitable extension,"/>
