I agree the school needs modernising and what is being proposed will benefit the school. There is a need in the local area for more secondary school places this is down to the poor planning by HCC . However I feel that the roads around the school need upgrading and better management of traffic needs to be implemented even without the proposed expansion. The junction of the great north road and georges wood road needs greatly upgrading. It is dangerous turning right into George's wood road at the best of times. Parents should be banned from driving up pine grove the road is a nightmare however by doing this you are pushing the problem somewhere else. however wotever school you talk about the same problems exist.
