**Organisation** 

**Address** 

3 Oakmere Close, Potters Bar, Herts, EN6 5JQ

**Type of Comment** 

Objection

**Type** 

neighbour

**Comments** 

In the location which the school is there is major transportation implications with increasing the number of pupils in the school. Even with the size of the school at the moment there is major traffic problems in the road adjacent to the school and all the adjacent roads. Any additional traffic would complicate the situation even more. The addition of these classrooms would be to take more children. 30 per year which could be an additional 180 pupils and if 25% of these have parents take their children to school then you will have an additional 45 cars which could cause gridlock in the area. Please look at the local area as well as the road leading to the school as any change will effect all the roads in the area not just the road leading to the school.
