.

Hello

Yes please, I was walking my dog at the time of the incident and was disgusted by the behaviour of some of the parents. There was no supervision at all from the school and the situation was dangerous given the amount of cars and people in the road and on the pavements at one time.

Kind regards

Good morning

The situation in Pine Grove this morning was complete chaos. We witnessed shockingly parents actually driving down the pavement which was filmed by several neighbours, abandoning cars across the pavement and people's driveways etc. The poor postman couldn't get up the road in his delivery van etc. and was met with aggressive behaviour. Please can you ask the police to oversee tomorrow am to avoid any more trouble and try and calm things down. There were no measures at all in Pine Grove put in place to control the traffic today. Why everyone has to drive to the door I don't understand. There should be a drop off point to ease congestion. This is a good example of why we cannot allow an increase in pupil numbers. The school is taking no responsibility at all on the impact days like this has on residents. The situation today was unsafe for everyone.

Yours sincerely

14 Pine Grove
