RE: 6/2019/0119/FULL – Stanborough Park, Stanborough Road, AL8 6DF

Dear Sarah,

Thank you for your consultation in relation to the above planning application for the external alterations to existing toilet block, at Stanborough Park, Stanborough Road, AL8 6DF.

We have reviewed the list of supporting documents and note that a surface water drainage strategy has not been included.

Considering there is not a significant impact of the proposed development on surface water management on the site, we would have no objection to the proposed development.

However, considering the site location is within Flood Zone 2 and 3, we advise the LPA to contact the Environment Agency.

Yours sincerely,

Julia Puton
SuDS Officer
Hertfordshire County Council
