**Comments** 

I note with interest the proposals to convert Northaw House into apartments, funded in part by new build enabling development. I think that the overall scheme is very innovative, as most of the new build development cannot be seen from any public vantage point. As far as i can see the benefits of the proposals far outweigh any disbenefits and the listed buildings are returned to their original (residential) use, fully restored. For the reasons above i request that you grant planning permission.
