Comments

With reference to the proposal to convert Northaw house back to residential (as it once was) i think is a wonderful idea. I was born and raised in Cuffley and although i have recently moved i feel i still have a view. The new building cannot be seen from the road as far as i can see and also if this wonderful building isn't restored A.S.A.P it will certainly be more difficult to do anything with and be totally ruined. Therefore i propose the plan goes ahead.
