Comments

The latest changed in this application has come at a difficult time and there is so much to read. Having been in the village for 45 yrs- some of the non village comments were a bit strange. Mr Waller made a report which was naturally biased but there were no other lodges on the estate except for East Lodge and the other Lodge which has been built on the wrong side of the entrance. The Planning dept were aware of this too late. I am sure we would all like to see the House restored but not with two new Lodges and a road/lane which was meant for Carriages. Whatever the report says -it is a very difficult exit by East Lodge. Of course East Lodge hears the B156 but it does not need another road on the other side. Villagers were allowed to walk through past the house but that was forbidden years ago.
