Dear planning,
I tried for half an hour to register a comment re the above development but was unable. Your department advised me to email so here it is

RE: Application reference: 6/2019/0217/MAJ and Application Reference: 6/2019/0218/LB

REGARDING: Proposed development at: Northaw House Coopers Lane Northaw Potters Bar EN6 4NG Proposal: Conversion of Northaw House to form 11 apartments

COMMENT:

1. This development is a wholly inappropriate development of a prime green belt location and there no special circumstances to justify it.

2. There is no infrastructure to support this development either in respect of public transport or in sustaining the extra road usage that the development would necessitate.

3. In itself, this proposal is a major overdevelopment of the site itself.

I'd appreciate it if you could confirm that these comments will be registered.

with thanks and best regards
