Comments	<input type="text" value="Thank you for consulting Hertfordshire Gardens Trust, a member of the Gardens Trust, statutory consultee. We objected to this development on 29 August 2019 (6/2019/0218/LB and 6/2019/0217.MAJ) on the grounds of considerable harm to the important historic landscapes around Northaw, their views and settings and thus their significance , contrary to NPPF . The new proposed site plan does not address our concerns and thus our original letter of objection is still relevant. The harm not only to Northaw House and its setting/significance but to other important historic houses and landscapes in the area from overdevelopment of this site is such that major amendments, including reduction of units around the house, to the proposed scheme are required."/>
