Dear Sarah,

**Re: Removal of existing children's playground and reinstatement of ground as parkland; construction of new playground including splash pad with associated changing room facility; kiosk; fencing around compound; outdoor gym equipment; drainage; earthworks and landscaping - Stanborough Park North Stanborough Park Stanborough Road AL8 6DF**

#### **ARCHAEOLOGICAL IMPLICATIONS**

Thank you for consulting me on the above application.

The proposed development area has been heavily disturbed by quarrying, landscaping and development throughout the 20<sup>th</sup> century.

In this instance, therefore, I consider that the development is unlikely to have an impact on heritage assets of archaeological interest, and I have no comment to make upon the proposal.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,

Historic Environment Advisor  
Environmental Resource Planning
