Comments	Violates NPPF 2019 and fails HELLA stage 1 as not adjoining another Green Belt settlement. Necessitates significant extra car usage on already overburdened roads-no close public transport and no buggy accessible footpaths to Cuffley or Potters Bar and Coopers Lane Road is narrow and dangerous. How does this help meet zero net carbon emissions by 2030? Again would close the settlement gap between Cuffley and Potters Bar and is too close to adjacent Wildlife Sites, endangering habitat.
