**Received Date** 

**Attachments** 

Application Number	6/2019/1370/MAJ
Location	Land to the east of Firs Wood Close, Northaw
Proposal	Erection of 26 dwellings and associated access
Case Officer	Mr William Myers
Organisation Type of Comment	Objection
Туре	neighbour
Comments	This is a stand alone site with no access, on green belt land, next to a wildlife area and has no nearby amenities i.e. school, shops, bus or train. In this time of reducing emissions, this will mean only access by car. What's the point of building houses which have no direct link to anything? Surely there are better options than this, ones that don't include the destruction of our green spaces.
