Type of Comment	Objection

Comments	This is prime 'washed over' green belt surrounded by natural habitats, biodiversity and featuring Fir and Pond woods, Northaw Park. Development here would contravene NPPF directives 8, 9, 10, 11, 12, 13, 14, 15 and provisions of the WHBC Environment overview of 2017. Development of such sites make a mockery of the government and WHBC declaration of a climate emergency, decimating carbon sinks.
