Application Number	6/2019/1370/MAJ
Location	Land to the east of Firs Wood Close, Northaw
Proposal	Erection of 26 dwellings and associated access
Case Officer	Mr William Myers
Organisation	
Type of Comment	Objection
Туре	neighbour
Comments	I wish to strongly object to the suggestion that this area should be removed from the Green Belt and developed for housing. Certainly no "Very Special Circumstances" exist for such a change to be made. The Green Belt was created to prevent urban sprawl. We must ensure that this area is passed on for future generations to enjoy. Any development would add to the already overcrowded B roads serving the area. Development assuming an additional 2.25 cars per household would add to the already very congested traffic in the area. There are also other important considerations relating to:- POLLUTION SUSTAINABILITY INFRASTRUCTURE HEALTH CARE CHARACTER OF VILLAGES
