Comment for planning application 6/2019/1370/MAJ

Application Number	6/2019/1370/MAJ
Location	Land to the east of Firs Wood Close, Northaw
Proposal	Erection of 26 dwellings and associated access
Case Officer	Mr William Myers
Organisation Type of Comment	Objection
Туре	neighbour
Comments	There is no infrastructure in place for this development. The footpaths are limited & restricted. There are no schools or shops within walking distance. There is no easy access to train or bus services and it is too far away to be easily accessed by bicycle. The only safe access for this development is by car which is environmentally unfriendly. This is against the WHBC policy for climate emergency. The development is not adjoining any other housing development and stands alone in the green belt which would have high impact. The location is in the close proximity of a natural wildlife habitat which is gradually being eroded in this area. It will doubtless have a deleterious impact.
