been made to build on this same plot of land as recently as 2014 (ref: S6/2013/2603/PA) . Furthermore, earlier this year a Certificate of Lawfulness was applied for to build on land DIRECTLY OPPOSITE this proposed site by the same landowners. This application was fatally discredited

It is my opinion that this latest application for Community/Affordable housing is nothing but a cynical ploy to attempt to circumnavigate clear planning restrictions. This site is based entirely within Green Belt land. Nothing is within walking distance - NO shops, NO schools, NO transportation links
