| Comments | <input type="text" value="Our previous objections are still maintained by the Parish Council. Re 106 Funding, should this development be approved we have identified the need for a pedestrian footway. This should connect Firs Wood Close to Potters Bar causeway. Additionally a cycle route to enable residents to get to Potters Bar Station is desirable. We note that WHBC have declared a Climate Emergency and these proposals are consistent with WHBC sustainability policies."/> |
