Variation of condition 4 (approved drawings) on planning permission 6/2017/2972/FULL

Decision

Notice is given under article 18 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission subject to the following conditions:

The planning application form confirms that value engineering to rationalise room heights and roof profiles has been undertaken, with the affect of reducing overall building height and internal alterations to better reflect current and future needs. Such changes have led to door / window reconfiguration. The application confirms that building location, footprint and occupancy remain unchanged from the approved drawings.

On the basis of the above, my previously comments provided 21/2/18 remain unchanged.
