Important – Planning permission and notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee may be payable for each request to discharge conditions.

For advice on any of these matters, please contact the duty planning officer or the case officer at Welwyn Hatfield Borough Council, Campus East, The Campus, Welwyn Garden City, AL8 6AE or by email planning@welhat.gov.uk between 0900 – 1100 daily.

Notice of Decision
Town and Country Planning Act 1990
Town and Country Planning (Development
Management Procedure) (England) Order 2015

To: Mr S Hancock

Application No:
6/2020/0043/VAR

Date of Approval: 20 March 2020

WELWYN HATFIELD BOROUGH COUNCIL, in pursuance of powers under the above mentioned act, hereby GRANT, subject to the development beginning not later than 3 years from the date within the original permission to which this application varies: -

Development: Variation of conditions 1 (on-site car parking) 6 (first and second floor windows on the northern elevation) 7 (external lighting) and 8 (approved plans) on planning permission 6/2019/0754/VAR

At Location: 15 Station Road, Cuffley, Potters Bar, EN6 4HX

Applicant: Mr Terry Bambridge

Application Date: 21 January 2020

In accordance with the conditions listed below: -

1. The use of the approved A5 premises must operate only between the hours of 11:00 to 23.00 Sunday to Thursday, and from 11:00 to 24.00 on Fridays and Saturdays and no customer is permitted to be on the premises outside of these times.

REASON: To protect the residential amenity of adjoining occupiers in accordance with Policy D1 and R19 of the Welwyn Hatfield District Plan 2005, Policy SADM18 of the Welwyn Hatfield Borough Council Draft Local Plan Proposed Submission August 2016 and the National Planning Policy Framework.

2. No deliveries to the approved A5 premises shall take place outside the hours of 07.00 and 21.00 on Monday to Saturday and 10.00 to 14.00 on Sundays.

REASON: In the interests of neighbouring amenity, in accordance with Policies D1 and R19 of the Welwyn Hatfield District Plan 2005, Policy SADM18 of the Welwyn Hatfield Borough Council Draft Local Plan Proposed Submission August 2016 and the National Planning Policy Framework.

3. Prior to first occupation of the A5 unit a noise report shall be submitted to and approved in writing by the Local Planning Authority. The report shall include details of a survey of the existing environmental noise in the area and an assessment of the noise generated by any proposed kitchen air handling system (including a BS4142 (2014) assessment of commercial noise). An appropriate mitigation scheme shall be submitted with this noise report for the approval of the Local Planning Authority. This must incorporate an appropriate scheme demonstrating that the kitchen air handling system, including noise and odour details, is in accordance with the DEFRA "guidance on the control of odour and noise from commercial kitchen exhaust systems" and BS4142 (2014). Subsequently, the kitchen air handling system shall be implemented in accordance with the approved details and shall be retained thereafter.

REASON: In the interests of neighbouring amenity in accordance with Policies D1 and R19 of the Welwyn Hatfield District Plan 2005, Policy SADM18 of the Welwyn Hatfield Borough Council Draft Local Plan Proposed Submission August 2016 and the National Planning Policy Framework.

4. Notwithstanding the submitted details, the private access shall be maintained in perpetuity at a minimum width of 4.1 metres with a carriageway width of 3.8m for its length and shall be constructed perpendicular to the highway carriageway for a minimum length of 10 metres as measured from the near edge of the highway carriageway.

REASON: In the interest of highway safety and traffic movement in accordance with Policy D1 of the Welwyn Hatfield District Plan 2005, Policy SADM2 of the Welwyn Hatfield Borough Council Draft Local Plan Proposed Submission August 2016 and the National Planning Policy Framework.

5. The first and second floor windows on the northern elevation of the building must be retained with obscure glazing and have blank block (non-key block) opening restrictors fitted in accordance with the submitted Window Restrictor Details - drawing number: 0/A600/CN/206 Rev A. Once fitted, the restrictors must remain in situ and be fully operational at all times thereafter.

REASON: To protect the living conditions of adjoining occupiers in accordance with Policy D1 of the Welwyn Hatfield District Plan 2005, Policy SADM11 of the Welwyn Hatfield Borough Council Draft Local Plan Proposed Submission August 2016 and the National Planning Policy Framework.

DRAWING NUMBERS

6. The development/works shall not be started and completed other than in accordance with the approved plans and details:

Plan Number	Revision Number	Details	Received Date
------------------------	----------------------------	----------------	----------------------

0/A600/CN/2 06	A	Window Restrictor Detail	10 January 2020
0/A000/LP/01 1	E	Parking Plan & Bin Store	10 January 2020

REASON: To ensure that the development is carried out in accordance with the approved plans and details.

1. **POSITIVE AND PROACTIVE STATEMENT**

The decision has been made taking into account, where practicable and appropriate the requirements of paragraph 38 of the National Planning Policy Framework and material planning considerations do not justify a decision contrary to the development plan (see Officer's report which can be viewed on the Council's website or inspected at these offices).

Informative(s)

1. This permission does not convey any consent which may be required under any legislation other than the Town and Country Planning Acts. Any permission required under the Building Regulations or under any other Act, must be obtained from the relevant authority or body e.g. Fire Officer, Health and Safety Executive, Environment Agency (water interest etc.) Neither does this permission negate or override any private covenants or legal interest (easements or wayleaves) which may affect the land.

Town and Country Planning Act 1990

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of The Town and Country Planning Act.
- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or 12 weeks in the case of a householder appeal of the date of this notice, whichever period expires earlier. •
- As this is a decision to refuse permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice;
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or online at www.gov.uk/government/organisations/planning-inspectorate.
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by the Secretary of State.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that the owner

can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter I of Part 6 of the Town and Country Planning Act 1990.

WHY HERTFORDSHIRE BUILDING CONTROL?

Hertfordshire Building Control are owned by seven local authorities in Hertfordshire. In effect, as a resident in Hertfordshire, you own Hertfordshire Building Control. Any profit we make is returned to those local authorities who reinvest it into our communities, which you as a resident will benefit from. Therefore, by using our services you benefit from our experienced and knowledgeable team of surveyors, and also from the investment made in the community by Local Authorities.

Being accountable to the public in this way means that we will not be compromised by people or organisations, and when things go wrong - for example buildings becoming dangerous as a result of poor building practices and improper inspections - we are the people who are called in to ensure that the area is made safe and further losses minimised.

Use Hertfordshire Building Control early on in your project to **prevent** such occurrences rather than having us being called in to **cure** them.

WHAT HERTFORDSHIRE BUILDING CONTROL OFFERS:

- A truly independent service working on behalf of the property owner and accountable to the residents of Hertfordshire.
- Surveyors with the skills and experience to lead the compliance process ensuring that your property meets the standards required by Building Regulations.
- A team with the capacity to provide a responsive service, ensuring that your project will be inspected when it needs to be and will not be held up.
- The technology to increase surveyor time on site and improve our service to our customers.
- A one stop shop for all related activities including air testing, acoustic testing, engineering and SAP calculations and warranties.
- A company that returns 100% of its profits back to Local Authorities for investment in the community.

NEXT STEPS

HERTFORDSHIRE
BUILDING CONTROL

WHAT IS BUILDING CONTROL?

Building Control ensures that architects, builders and other professionals in the construction industry adhere to the Building Regulations when designing and building structures. The Building Regulations set the standards for the design and construction of buildings to ensure that they are safe, accessible and energy efficient.

DOES MY PROJECT NEED BUILDING CONTROL APPROVAL?

Projects that involve extensions, structural changes, loft or garage conversions or changes to electrical wiring will - in the vast majority of cases - need Building Control certification. It is a legal requirement.

To check whether your project requires building control approval please call one of our qualified surveyors on **020 8207 7456** who will be happy to advise you. Or contact us at the following email address: buildingcontrol@hertfordshirebc.co.uk. Alternatively, there is a lot of useful advice contained on our website: www.hertfordshirebc.co.uk.

WHY DO I NEED BUILDING CONTROL?

There is a legal requirement that work carried out on buildings including alterations, extensions and garage and loft conversions are inspected and certified by an authorised Building Control body. Building Control protects the interests of the property owner ensuring that architects and builders adhere to the standards required in the Building Regulations. Sadly, there are a number of rogue operators who will cut corners to save themselves money and in doing so cause buildings to be unsafe, difficult to access or exit, and energy inefficient. The Building Control surveyor is there to ensure that standards are adhered to and to certify the work carried out. This is not only important for you when living in your property but also when you come to sell it, as it could delay or prevent a sale if the appropriate certification has not been completed.

IS THIS DIFFERENT FROM PLANNING?

Building Control is separate from planning, which deals with the appearance of buildings and how they fit into their environment. Your project may also need planning consent, which is a different process.

You may be receiving this advice note because you have submitted plans to your Local Authority planning department; if not you will need to contact them to discuss planning requirements. Links to contact Local Authority Planning departments are on our website.

WHAT DO BUILDING CONTROL SURVEYORS DO?

Building Control Surveyors work on behalf of the property owner and with architects, builders and other construction professionals to lead the compliance process, certifying that buildings conform to Building Regulations. The mission of Hertfordshire Building Control is to ensure quality buildings and add value for our customers and communities by leading the compliance process. Essentially the surveyor protects the interests of the property owner and should therefore be independent of the architect and/or builder. Make sure that it is you and not your builder or architect who selects your Building Control provider, or that you have carried out the necessary due diligence.
