Dear Emily,

ARCHAEOLOGICAL IMPLICATIONS

Thank you for consulting me on the above application for a discharge of condition.

The archaeological Method Statement submitted by the applicant is satisfactory. I can therefore advise that the archaeological excavation may begin, subject to your own final approval.

I cannot yet recommend full discharge of the condition until all archaeological work has been completed in accordance with this Method Statement and the original Written Scheme of Investigation, a satisfactory report has been submitted and provision made for analysis and publication.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,

Dr Simon Wood FSA Scot
