Comments	<input type="text" value="NMPC support this as a temporary measure but must insist that reinstatement occurs fully when Application 6/2020/0085/MAJOR car parking is in place. NMPC are concerned to maintain the openness of the Green Belt in the long term. We further request that the school improve the drive in/drop off/drive out for parents to prevent parking in Pine Grove and this should be monitored everyday by school staff to ensure compliance. The Application form is incorrect at Item 9 because the number of new car spaces is listed as 63. It is 39 new car parking spaces on the grasscrete so the difference is 39 making a total of 102."/>
