Comments	<input type="text" value="It is noted that this is an application to build several new units in addition to those considered in the previous application. We cannot see any exceptional circumstances to warrant the granting of consent when this will encroach on Green Belt land; be visible from surrounding area and result in a dramatic increase in traffic movements especially at two very dangerous accesses to the public highway. The application must be rejected to stop further creeping development to the detriment of the village of Northaw."/>
