Application type

Full Application

Proposal

Construction of two external canopies and creation of new tarmac area

Decision

Notice is given under article 18 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

Description of Proposal

A full planning application has been submitted for the construction of two external 11m x 15m canopies for the primary use as a dining space on land which is informal hardstanding area, adjacent to the teaching blocks.

Analysis

The proposals do not include facilities to increase the number of pupils (i.e. classrooms) and therefore will not result in any changes to the operation of the local highway, footway, and cycleway networks.

The proposals do not include changes to the access arrangements and therefore will not affect the safety of the local highway network.

The car parking and cycle parking provisions are to remain the same.

Conclusion

The Highway Authority does not wish to raise an objection to the proposed development.

Signed

Samuel Tearle
