<b>Comments</b>	<input type="text" value="I live in the mirage development next to this site and feel even with the buildings already going up the height is too much. We feel dwarfed by these as we are 3 stories high and there is planning application to the biopark too. Having these huge monstrosity tower blocks is not inkeeping with wgc and will make people leave this lovely town. There is already a lack of shops (more and more closing down now) and this development if given the go ahead will drive more people away."/>
